Mayor's Message

Submitted by Ardell Hartley, Mayor

The turn-out for the by-election was very good, and we welcome Roger Clark as the new member of the village council and look forward to working with him in the coming months.

We are still trying to get the recycling trailer in use again and have hired a lawyer to try and get our bins back. He is confident that we will be able to have them replaced.

The amount of garbage hauled into the land fill site is down a little from last year, so for now we will not have to go into the higher category, which would have cost a lot of extra money. We encourage everyone to keep recycling as much as you can.

The renovations of the fire hall are coming along very well, and it is good to be able to have the small truck here for quick responses to any calls.

Thanks to all for your interest and help in the village.

Change in Council Responsibilities

With the election of Roger Clark to the Village Council there are some changes in council responsibilities. Roger will be in charge of Economic Development, Alberta South West, and the Irrigation System. Ardell Hartley will take over Spring Glen Park along with his other responsibilities.

Hartley Cemetery Receives Funds

Hartley, Alberta - the Hartley Cemetery is pleased to announce that it has received \$1,000.00 from Shell Canada Community Service Fund.

The funds have been awarded to support the volunteer's in the cost of materials needed to build a game fence around the cemetery.

Daniel Hunsperger who is an employee of Shell Canada and also a spokesperson for the Hartley Cemetery, would like to thank Shell for their support to the community cemetery.

For more information contact:

Daniel Hunsperger

Spokesperson for the Hartley Cemetery

Glenwood School

In school news, the Junior High will be going skiing on February 6th. The bus will leave the school at 7:00 a.m. Please have your students at the school before that time. Make sure that your students dress warm. It is recommended that they do not wear blue jeans because when jeans get wet it is hard for the pants to dry and for the person to stay warm. The best way to dress is in layers so that your student can add clothing or take off clothing as he/she needs. Also send lots of snacks as the food at the ski hill tends to be very expensive. The students will return to the school at around 6:00 in the evening and will need to be picked up at the school.

On February 7th there will be a Winter Walk Day. At 11:20 the students will leave the school for their walk. All parents and community members are invited to walk with the students. After the walk, the Parent Council will be offering a hot lunch of "taco in a bag." The cost is \$3.00 and if you would like to have one, please call the school before that day. Be extra cautious as you drive around town and slow down when children are present.

February 8th - 9th and 12th is a book fair at the school. This is your opportunity to purchase books for your students to read at home. The more they read the more points that make for their team tank team (and the better they will be throughout their life!).

Team Tank is going strong and there will be some exciting activities that the students will be able to participate in as they read the books they want and improve their reading skills.

Prepay your Village Utilities

If you would like to save money on your water, sewer, and garbage charges this year (irrigation fees are not eligible for reduction,) you may pre-pay at the Village Office. When you pre-pay your year's utility payments the Village of Glenwood will provide December's services free of charge. Pay 11 months and get 1 month free. This offer expires on March 31st. Contact Brad Salmon at the Village Office for more information.

Turn Your Hearts Enrichment Activity

February 13th

7:00 at the Church

Scrap booking night (bring your scrap booking project) and History in a Jar Activity. If you don't want to do the activity feel free to bring your own project and come and socialize. The church is booked so you may even walk, or play volleyball or basketball in the gym. There will also be a quilt to tie. The quilt is going to be donated to the Moses Lake Soup Kitchen.

Relief Society Computer Evening

February 27th

7:00 at the School

The computer lab at the school will be open for you to search the Internet, check ward calendars, do genealogy, e-mail friends, create flyers, cards, or newsletters, create slide shows from digital pictures or any thing else you would like to do. The possibilities are endless. No experience necessary! Help will be available!

Thank You!

"I would like to say thanks to the candidates in the recent by-election, and to congratulate Roger Clark on the election.

To those who gave your support... that it was very much appreciated!"

Courtney Loose

Thank You

Many "Thank you's" to the citizens of Glenwood for supporting me in the recent race for council, and to those who worked on my campaign. I appreciate all your efforts.

Warm Regards,

Roger Clark

Please be advised that mr-b Computer Services is closed as I no longer have the time to do computer work. My job with Figment demands too much of my time now. Sorry for any inconvenience.

Also please note that the recent phone list has an incorrect number for Figment Cable Systems. For all sales inquiries and tech support, please call the main office at (866) 344-6368

Math Terrorism

At New York's Kennedy airport today, an individual later discovered to be a public school teacher, was arrested trying to board a flight while in possession of a ruler, a protractor, a set square, a slide rule, and a calculator.

At a morning press conference, Attorney General Alberto Gonzalez said he believes the man is a member of the notorious al-gebra movement. The FBI is charging him with carrying weapons of math instruction.

Al-gebra is a fearsome cult," Gonzalez said. "They desire average solutions by means and extremes, and sometimes go off on tangents in a search of absolute value. They use secret code names like 'x' and 'y' and refer to themselves as 'unknowns', but we have determined they belong to a common denominator of the axis of medieval with coordinates in every country. As the Greek philanderer Isosceles used to say, 'there are 3 sides to every triangle'."

When asked to comment on the arrest, President Bush said, "If God had wanted us to have better weapons of math instruction, He would have given us more fingers and toes".

I feel like my body has gotten totally out of shape, so I got my doctor's permission to join a fitness club and start exercising. I decided to take an aerobics class for seniors. I bent, twisted, gyrated, jumped up and down, and perspired for an hour. But, by the time I got my leotards on, the class was over.
